

## Bucks Bulletin Board

Tesco's Stronger Starts programme is that rare thing: an apprenticeship programme without entry requirements. Join [this exclusive webinar](#) with the Early Careers team to find out more ahead of the application window opening in June 2024.

Launched in 2020 by a former Misbourne student, Culinera has fast become the caterer of choice among Bucks schools. Help the business continue on the road to success by becoming its next [Finance and IT Support Apprentice](#).

Stoke Mandeville Stadium is launching a new football and education programme in September 2024. [Drop Base a line](#) to discover how the programme equips participants with a Level 3 BTEC in Sport, Business and A-Level PE.

## Heads down

You can probably think of hundreds – scratch that, thousands – of things you'd rather do than revise, but sometimes you have to just hit the books. Here are our [top tips](#) to surviving the upcoming exam season (parents, [you can do your bit too](#)) and remember, many millions have done this before you and whatever happens you'll be OK. Good luck!

## SEND: Creating inclusive workplaces

Every young person should be able to experience careers inspiration, no matter what their background or circumstance. Find out how three of our Confident Futures Skills Show sponsors are making it happen here in Bucks, before booking your free tickets to the sensory-conscious event.

## Let's work for wildlife

Concerned about climate change? Worried about wildlife? The Chilterns Conservation Board is looking to match local environmental organisations and community groups with volunteers like you. Discover opportunities to fill your summer with important conservation work, like planting hedges, surveying wildlife and uncovering lost histories.

## Careers: Find a future in sport

Ready for nine weeks of back-to-back tournaments? With Wimbledon, EURO 2024 and the Olympic Games coming up, many of you will be inspired to seek out a future in sport and, the good news is, there is one! In fact, here are six careers to think about when you're cheering on your favourite athletes this summer.

"It's never crowded along the extra mile."

Wayne Dyer

## SEND: How to navigate the recruitment process

Disability confidence is in Fairhive's DNA. As a not-for-profit landlord of over 8,500 affordable homes, which means all of its income is invested back into its social purpose, the Confident Futures Skills Show sponsor has supported many individuals in their search for employment. Check out its [advice for SEND students trying to navigate the recruitment process](#).

## Parents corner

Discussions about your child's future wreaking havoc in your household? Don't panic – former Blue Peter presenters, Simon Thomas and Konnie Huq, have you covered with guidance on [how to broach topics like education pathways](#) if previous attempts haven't *\*quite\** gone to plan.

## Careers: Celebrating International Nurses Day

Sunday 12th May is all about nurses like Kelby. Undertaking an apprenticeship at the NHS, Kelby splits her time between studying (just across the county border at the University of Bedfordshire) and working on the wards. [Find out why](#) she believes an apprenticeship is the perfect path into nursing.
